Getting ready for a home visit by the Health Visitor

To help keep you, your family and our staff safe, please can we ask you to:

- Ensure the room we will conduct our visit in is well ventilated

- As we are trying to minimise contact with surfaces, please open and close doors in your home for us
- If anyone in your household is experiencing any of the following please inform us so we can assess if we can reschedule the visit
 - Do you or anyone in your house have coronavirus?
 - Do you have a new continuous cough?
 - Do you have a high temperature (37.8 degrees centigrade or over)?
 - Are you experiencing any loss or change in your sense of smell or taste?
 - Does anyone in your house have a new continuous cough, high temperature or have a loss or change in their sense of smell or taste?
- Be aware we will be wearing Personal Protective Equipment, which includes a mask but hopefully you will still see us smile!

Tell us, we're still listening:

Things are a little bit different from what you are used to, but we still want to hear from you and what you have to say about our services.

Your feedback will help us continually provide the best possible experience to everyone that we care for.

We welcome your feedback through the Friends and Family Test, to access the survey, please use the camera on your phone to scan the below QR code. If you have any trouble with accessing the survey, please speak to a member of our staff or alternatively, you can use this short link: <https://buff.ly/33Fbz6s>

Scan the below image using your phone's camera to access the survey or use the above short link in blue.
